Dear Ringwood Residents,

My name is Sara Markovic, Dale and it is with great pleasure that I endorse Jaime Matteo-Landis, a childhood friend in her campaign to run for the position of Councilwoman in our town of Ringwood.

Jaime is a lifelong resident whom I have known since our days of school, playing sports, and participating in extracurricular activities. Jaime was always a student leader, who went above and beyond in all that she did. As a result, she was a very well respected and loved classmate. Jaime's strong personality and happy and caring disposition is still clearly evident even now as adults. I have the pleasure of working with her within Paterson Public Schools where she is a highly regarded educator. Currently, Jaime teaches inner city children with learning disabilities. She also has earned her Master's Degree in Educational Leadership and is certified to be a school administrator.

I am throwing my support behind Jaime because of her track record. She is kind, fair, and respectful of everyone. Jaime is an ideal councilwoman because she has a vested interest in our community. She is raising two young 4<sup>th</sup> generation boys here and wants to make Ringwood the best it can be for her children and ours. She understands the need to keep Ringwood safe and affordable, while providing the highest level of municipal services available.

Jaime was appointed to a one year vacant seat in December of 2016. As a result, she needs to run for election this November and she needs our support. I am proud to call this hardworking wife, mommy, and teacher my friend and I urge everyone to come out and give her a chance to earn a four-year term on the Ringwood Council. Please vote row A on Tuesday, November 7, 2017. I am confident that Jaime will make us proud!
